## 1 PURPOSE

- 1.1 This policy and procedure establishes an effective, accountable and transparent framework for ensuring compliance with the requirements for UK By the *GDPR*.

## 2 SCOPE

## 3 POLICY STATEMENT

- 3.1 The GDPR details rights of access to both manual data (which is recorded in a relevant filing system) and electronic data for the data subject. This is known as a Data Subject Access Request (DSAR).
- 3.2 Under the GDPR, organisations are required to respond to subject access requests within one month. Failure to do so is a breach of the GDPR and could lead to a complaint being made to the Data Protection Regulator.
- 3.3 This policy informs staff of the process for supplying individuals with the right of access to personal data and the right of access to staff information under the General Data Protection Regulation (hereinafter called GDPR). Specifically:
- All staff need to be aware of their responsibilities to provide information when a data subject access request is received. When a subject access request is received, it should immediately be reported to the Data Protection Officer to log and track each request.
  - Requests must be made in writing (template form is provided, but not mandatory).
  - The statutory response time is one month.
  - Requests should include the full name, date of birth and address of the person seeking access to their information. To comply with the GDPR, information relating to the individual must only be disclosed to them or someone with their written consent to receive it.
  - No fee can be charged for initial DSAR for all types of records, whether manual or electronic format.

## 4 PROCEDURE

### How should DSARs be processed after receiving

When a subject access request is received from a data subject it should immediately be reported to the Data Protection Officer who will log and track each request. If you are asked to provide information, you will need to consider the following before deciding how to respond:

- Under GDPR Articles 7(3), 12, 13, 15-22 data subjects have the following rights:
  - to be informed;
  - to access their own data;
  - to rectification;
  - to erasure (Right to be Forgotten);
  - to restriction of processing;
  - to be notified;
  - to data portability;
  - to object;
  - to object to automated decision making.

- Requests must be made in writing (template form is attached, but is not mandatory). All DSARs received by email, mail, fax, social media, etc. must be processed.
- The type of access you must provide and the fee you are allowed to charge may vary depending on how the records are held. It does not have to state 'subject access request' or 'data protection' to constitute a request under the GDPR.
- If a request has already been complied with and an identical or similar request is received from the same individual a fee can be charged for the second request unless a reasonable interval has elapsed.
- The statutory response time is one month.
- Requests should include the full name, date of birth and address of the person seeking access to their information. To comply with the GDPR, information relating to the individual must only be disclosed to them or someone with their written consent to receive it.
- Before processing a request, the requestor's identity must be verified. Examples of suitable documentation include:
  - Valid Passport
  - Valid Identity Card
  - Valid Driving Licence
  - Birth Certificate along with some other proof of address e.g. a named utility bill (no longer than 3 months old)

## **Fees**

Alternatively, ZEN KNOTWEED LTD will be able to refuse to act on the request.

## **Subject access requests made by a representative or third party**

- 4.2 Anyone with full mental capacity can authorise a representative/third party to help them make a data subject access request. ## **Complaints**
